ASSUMPTION OF RISKS

I am aware that the use of snowmobiles and other related equipment involves certain risks, dangers and hazards, which include (but are not limited to the following).

- (a) **Avalanche:** Avalanches frequently occur, sometimes caused by natural forces, and other times by other snowmobilers; skiers, land slides, falling debris, such as rocks, wood, trees, cornices, high marking snowmobiles, or other mechanical devices.
 - (b) **Natural Hazards:** The terrain over which I will travel has many hidden and unforeseen natural dangers, such as trees, tree wells and tree stumps, creeks, rocks, forest deadfall, depressions, crevasses, cliffs and water ruts. Wild Animals such as Cougars, Grizzly Bears, Black Bears, Elk, Moose or any wild or domestic animal;
 - (c) **Man-made Hazards:** The terrain over which I will travel may also contain man-made hazards and risks, such as fences, mine shafts, logging debris, logging equipment, artificial road barriers, water bars, as well as other motorized snowmobilers, snowcats, groomers and other man made vehicles;
 - (d) **Lost:** Snowmobilers may become lost or separated from their ATV party or guide. Communications in the terrain over which I will be driving will be difficult and in the event of an accident, rescue and/or medical treatment may be seriously delayed, or not available. Weather conditions may be extreme, and capable of changing rapidly, without notice, making travel hazardous;
 - (e) **Negligence:** I understand death or injury may result from negligence of other Snowmobilers and or the commercial operator from negligence on the part of the Operators or their guides or employees.
- I acknowledge and accept that the Operators and their staff may fail to predict whether the terrain over which I will travel is safe for snowmobiling, or may fail to predict or identify the presence of any of the natural or man-made hazards identified above. I am now aware of the risks, dangers and hazards associated with wilderness snowmobile touring and I freely accept and fully assume all such risks, dangers and hazards, and the possibility of personal injury, death, property damage or loss resulting therefrom.
